ACKNOWLEDGEMENT OF RISK AND RELEASE

The Town of Apex (TOA) provides "dog park areas" in certain locations of its public parks. A dog park area is an area that is fenced in and where dog owners may bring their dogs and permit them to run freely with other dogs. To use dog park areas, owners **must complete an application for dog park privileges, present vaccination records at the time of registration and pay the appropriate fee.** The TOA will seek to limit access to children who are 10 years old or younger. TOA makes no guarantee that all dogs or other animals present in the dog park area are licensed or vaccinated against rabies, nor can it guarantee that children younger than 10 will not gain admission nor that children admitted will behave appropriately. Further, TOA has no knowledge about the behavior or temperament of animals using the area.

In consideration of receiving dog park privileges for myself and the dog identified in this application, I hereby represent and warrant as follows: my dog(s) _____ / _____ has/have received a rabies vaccination and that all vaccinations are up to date, that the veterinary records attached are the true and

accurate records for the dog(s) identified in this application, and that all information provided is accurate and truthful. I realize that providing false information may result in revocation of dog park privileges.

I recognize that unleashing my dog and being present in an area where there are other people, including children, and other unleashed dogs pose risks to myself and others and to my dog and the dogs and property of others. For instance, there is the risk of personal injury or property damage to myself or others from aggressive dogs, the unpredictable behavior of dogs and the lack of adequate training of my dog or other dogs. I further understand and accept that despite the efforts of TOA to see that dog park users comply with licensing and vaccination requirements, there is a risk that not all dogs present in the dog park are licensed and vaccinated. Additional risks to myself and others include, but are not limited to, dog fights, dog bites, dog theft or unlawful capture, dog escape over and under fences, and dog access to vegetation or standing water that may be unhealthy or poisonous if consumed. Further, dogs may be exposed to burrs or seeds that may become lodged in the dogs coat, feet, eyes, nose or ears, and mosquitoes, ticks, chiggers, fleas or other insects and wildlife that might be found in a park such as snakes, raccoons, opossums, etc. I understand that use of the dog park is self-directed and not supervised by any agent or employee of TOA. I assume all risks associated with using the dog park, including its fixtures and equipment, in an unsupervised and self-directed manner.

I HEREBY RELEASE TOA, ITS OFFICERS, EMPLOYEES AND AGENTS FROM ANY AND ALL RESPONSIBILITY OR LIABILITY FOR INJURIES OR DAMAGES TO MYSELF OR MY DOG DUE TO MY USE OF, OR PARTICIPATION IN ACTIVITIES AT, DOG PARK. I ALSO AGREE TO INDEMNIFY AND SAVE HARMLESS THE TOA, ITS OFFICERS, EMPLOYEES AND AGENTS FROM AND AGAINST ALL LOSS, COST, DAMAGES, EXPENSE AND LIABILITY INCLUDING DEATH, PERSONAL INJURY OR DISEASE AND DAMAGE TO REAL OR PERSONAL PROPERTY RESULTING FROM (1) MY NEGLIGENT ACTS; (2) THE ACTS OR BEHAVIOR OF MY DOG, AND (3) INJURY THAT MAY OCCUR TO ME OR MY DOG OR MY PROPERTY AS A RESULT OF THE ACTS, CONDUCT OR BEHAVIOR OF OTHER USERS OF THE PARK, INCLUDING OTHER DOGS.

I have carefully read this Acknowledgement of Risk and Release and understand and accept its terms and conditions. I have also received a copy of the rules for dog parks usage and agree to abide by these rules. I realize non-compliance of dog park rules may result in revocation of dog park use privileges.

Dog Park Guidelines and Tips for Use

- Keep walking or playing- this helps keep the off-leash area "neutral" territory for all.
- Keep your dog on leash until you enter the off-leash areas, and carry a leash on you for each dog at all times while in the park.
- Dogs shall be under your visual contact and voice control at all times; stay within close range of your dog.
- Be aware that dogs have different play styles. Talk to your veterinarian, talk to other park users and educate yourself on dog behavior.
- Ensure each gate closes behind you before you enter the next one.
- Fill in any holes your dog digs or make appropriate repairs to disturbed areas.
- Do not bring a dog with a known history of biting or fighting.
