PUBLIC COMMENT

The purpose of Public Comment is to allow the public to speak on items that do not appear in this agenda under “Public Hearings”. Any member of the public wishing to comment on Public Hearing items will be called at the appropriate time later in the agenda.

This Public Comment period is an opportunity for the public to express concerns or opinions, but is not intended to be a question and answer session. During Public Comment, the public may comment on any non-public hearing item including New Business items that appear in this agenda. Comments from the public on New Business items will not be taken later in the agenda so if you wish to speak on a New Business item, Public Comment is the time to do so. All comments must be limited to 3 minutes; when the 3 minutes is up, the speaker will be asked by the Chair to wrap up their comments.

If there are a large number of speakers for one particular item, it would be helpful if a representative could be selected to speak for the entire group. If not, comments on a single topic should not be repetitive in nature; if comments were already made by another speaker, please state agreement with the prior speaker(s) and do not repeat what has already been stated.
