The Town of Apex considers Seniors to be ages 55 years and older. Participants in the following programs must meet this age requirement. Classes are held at the Apex Community Center unless otherwise noted.

HOW TO REGISTER FOR PROGRAMS:
Preregistration is required for most programs offered by Apex Parks, Recreation and Cultural Resources. The first two weeks of each registration period is limited to Apex residents only. A resident is defined as an individual who resides within the established corporate limits of the Town as defined by the Apex Planning & Community Development Department. Waiting lists are available for most programs, with Apex residents receiving priority.
1. Online at PEAKconnect- www.apexnc.org/peakconnect
2. In person at 53 Hunter St. Apex, NC 27502
3. By mail to P.O. Box 250 Apex, NC 27502. Please make checks payable to: Town of Apex.
To avoid long lines and discourage overnight assembly, the first day of registration for both residents and non-residents will be administered by a lottery system starting promptly at 8:45am at the Community Center. Those in line will be given the opportunity to randomly draw a number and line up according to their number. Anyone arriving after 8:45am will go to the back of the line. Registration will begin promptly at 9am based on this system. This is for instructional programs, camps and individual youth athletic registration only and does not apply to adult team registration deadlines. One person may register only one family at a time.

2. If a participant requests a refund in writing after the registration deadline, and 48 hours prior to trip departure, a 75% refund will be issued if the participant can be replaced from the waiting list. If there is not a waiting list for the program then no refund will be issued.
3. VISUAL ARTS EXHIBITS

Come explore the work of high school students from local area high schools!

Telvin Wallace
Feb 8-Mar 8 • Free Reception: Feb 14, 6pm-8pm
“When I make a painting I am building a psychologically charged space. I usually start off with a few sketches that familiarize me with the problems I will encounter in the final work. My technique varies based on the content of my subject matter... Ultimately, I develop my own techniques to come up with a unique visual language and aesthetic.” -Telvin Wallace is a Senior in the NCCU Department of Art who creates portraits.

Jillian Goldberg and Susan Lamantia
Mar 21- Apr 23 • Free Reception: Mar 21, 6pm-8pm
Jillian Goldberg was born and raised in Cape Town, South Africa where she completed a B.A. in Art Education at the University of Cape Town. After teaching and directing private educational summer camps and art programs for over thirty-five years in Charlotte, NC, she is now retired and lives in Cary with her husband. Since 2007 Jillian has enjoyed painting full time in her home studio and attends workshops and master classes annually, constantly seeking to broaden her understanding, appreciation and skills.

“I believe my paintings - through color, shape, and texture reflect the energy I put into my creative process. I’ve been inspired by the pure colors, distortions and boldness of the Fauves as well as the impulsive and gestural interpretations of the Abstract Expressionists. I want my work to look spontaneous, but organized - gestural, but not chaotic.” --Susan LaMantia

The session will culminate in a Readers Theatre presentation* for friends and family. No experience necessary. Limited to 12 participants.

Pleasant Park

The official groundbreaking for Pleasant Park was held September 10th, 2019. Construction plans for the 92 acre project are currently under review by the Town's Technical Review Committee (TRC). When completed, the project will include a mixture of both active and passive recreation opportunities. The first elements to be developed will include road improvements, utility infrastructure, amenity area with playgrounds and a splash pad, multi-use sports fields, shelter with restrooms and more.

Community Center Addition / Senior Center

The official groundbreaking for this much anticipated project was held on September 10th, 2019. Plans for the project are currently under review by the Town's Technical Review Committee. The proposed facility, which will function primarily as a Senior Center, will add approximately 28,000 square feet to the current Community Center and will allow for expanded programming with an emphasis on seniors (55+) and Special Populations.

Public Art Sculpture on Town Campus

The newest addition to Town Campus is an art sculpture entitled “Trajectory”. The piece was installed near the entrance to the campus on September 7th, 2019. “Trajectory” features steel beams rising towards each other and connecting at the top. Its up and down presentation is meant to represent life's ups and downs. Each beam is dependent on another so it symbolizes that move from many different angles and that no one moves forward independently; we are all constantly affected by the world around us.

Beaver Creek Greenway

Phase I and II (connecting Kelly Road Park to the Apex Nature Park) construction plans have been approved. A trail segment under the new Apex BBQ Road Bridge was constructed to provide a safe pedestrian crossing. In addition to being a part of the 2017 Parks Bond, design costs had funding support from Wake County, and the Town was awarded over $1M in Locally Administered Project Program funding. Construction on the 1.1 mile, mostly boardwalk, greenway trail is anticipated to begin in early 2020. Phase IA plans (which aligned with a sewer relocation project in the area east of Kelly Road Park to Ashley Downs) are being reviewed by the Technical Review Committee and construction is slated to begin in late 2019.

Middle Creek Greenway

Phase I (Sunset Lake Road north to Reunion Pointe) plans will be finalized in conjunction with Complete 540 and include open air greenway trail under the new bridge crossing Middle Creek. Phase II construction plans are approved and the section connecting Reunion Pointe North to Straywhite Avenue in Miramonte will be bid for construction in October 2019. When complete, Middle Creek will connect Center Street / SR 1010 in Apex into Holly Springs. The project was part of the 2017 Parks Bond with supplemental funding coming from a Wake County Grant to assist with design costs.
