VISUAL ARTS EXHIBITS

Jenny Eggleston / Egg in Nest Art Studio
May 1 - May 22, 2020 • Free Reception: Fri, May 1, 6pm-8pm

A Field of Teacups
Challenged with incorporating the same five elements into a single work of art—a flower, a tree, a bird, a mountain, and a teacup—Jenny Eggleston and her students at Egg in Nest Art Studio, confront the tenets of Surrealism. By using a range of techniques the students create unexpected juxtapositions the viewer must navigate. As you move from room to room, the possible justifications for why the teacup appears in the landscapes composed of otherwise familiar elements, it becomes apparent that these justifications are as varied as the artists themselves!

Latino Arts Collective
May 29 - Jun 26, 2020 • Free Reception: Fri, May 29, 6pm-8pm
The Latino Arts Collective Exhibit, occurring in tandem with Apex’s 11th annual Latino Arts Festival, features local Latino artists working in a variety of mediums and styles. Come kick off the Latino Festival season in Apex with us!

Pierce Boshelly & Leslie Bailey
Jul 3 - Jul 31, 2020 • Free Reception: Fri, Jul 3, 6pm-8pm

Pierce Boshelly: Over the years Pierce has developed several different styles of painting and sculpture. After spending some time painting in Paris and sculpting marble in the studios near Carrara, Italy, he returned to North Carolina. He has exhibited around the world from New York City to Italy. He also composes music, which is to be listened to alongside his paintings.

Leslie Bailey: An abstract-mixed-media artist, currently living in Pinehurst, NC. After a career of over thirty years in teaching elementary art, she is retired or "rewired", and is now a full time artist. The act of creating with a particular chosen media in her art leads to an intuitive, creative exploration of those materials, focusing on color, texture, shapes and lines. The artistic decision-making in the subsequent layers explores process and product, sometimes by design and sometimes by surprise. Discovering these creative explorations and surprises is why she feels it necessary to create art.

Exhibit TBD!
Aug 1 - Sep 11, 2020 • Free Reception: Fri, Aug 7, 6pm-8pm

Medical Treatment Policies
1. Medication – Program participants with certain medical conditions may require daily treatment to ensure their health and well-being and therefore will need access to medication as required. When requested by a participant, the Town will store all medication in a secured location and make it available to participants in accordance with physician and/or parent/guardian instruction. Participants with severe allergies, such as allergies to bee stings, peanuts, moulds, foods, etc., may be at risk of a serious reaction in a Parks and Recreation setting due to contact with or ingestion of the allergen. Contact with these allergens can result in anaphylaxis, a severe allergic reaction with symptoms that may include swelling of the face, lips, and tongue, hives, vomiting, diarrhea, difficulty swallowing, shortness of breath, and difficulty breathing. The Town of Apex is concerned for the health and safety of all participants in any program offered by the Town’s Parks, Recreation and Cultural Resources Department. When a participant has alerted the Town to a medical condition or severe allergy, the following is required: 1) A signed copy of the Town’s “Authorization for Emergency or Medical Care for Participants with Medical Needs or Severe Allergies” and “Release and Waiver of Liability for Administration of Medication and/or Emergency Treatment of Participants. These documents can be found online at www.apexparks.org/medicalforms. 2) Parent(s)/guardian(s) shall provide all equipment, medications, and materials necessary for instructions provided in the Authorization Form. All medication must be properly labeled and current.
2. Emergency – In the event of an emergency in which the parent(s)/guardian(s) or listed emergency contacts cannot be reached, APR&CR will contact emergency medical personnel and pending their arrival, take those actions that are in the APR&CR’s judgement to be in the best interest of the individual participant.

Sunscreen and Insect Repellent Policy
Sunscreen and Insect Repellent (lotions and sprays) must be self-applied by the participant. We recommend that the participant apply sunscreen and/or repellent before attending the program. APR&CR Staff are not permitted to administer sunscreen or insect repellent.

Inclement Weather Policy
I understand that the program may not be available when the Town and its facilities are closed. Please call the Weather Hotline 919-249-3348 for the most updated information.

Inclusion Services
Apex Parks, Recreation and Cultural Resources welcomes the participation of individuals of all abilities. In compliance with the ADA, we will provide reasonable accommodations to facilitate participation in our programs. Reasonable accommodations are resources used to help allow a person with a disability to participate in any program. Resources may include, but are not limited to, auxiliary aids or services, adaptive equipment, additional staff training, and/or additional staff. Any accommodation that the Department considers cannot fundamentally alter a program. To ensure that reasonable accommodations are in place, accommodation requests should be received at least two weeks prior to the start date of the program. For more information, please contact Inclusion Services at 919-249-5507.

Behavior Management
As part of organizing, supervising and administering various programs and activities, is expected that those involved will exhibit the appropriate behavior to make the experience as beneficial and enjoyable as possible. Whenever possible, APRCR prefers to use behavior tools such as praise and positive reinforcement as effective methods of behavior management. We believe that when participants receive positive and understanding interactions, they can develop good self-concept, problem-solving abilities, and self-discipline. Our programs will create an environment that encourages positive choices through understanding a participant’s basic needs, maintaining a safe and fun environment, and the use of praise and positive reinforcement do not accomplish the desired outcomes or in the event the behavior is such that more definitive action is needed, APRCR reserves the right to immediately disallow further participation in the program / activity when APRCR deems it to be in the best interest of the program and other participants.

Behavior Management Tools:
To encourage and support positive behavior in all programs and activities offered by the Apex Parks, Recreation and Cultural Resources Department, the following techniques will be used:
• Monitoring of the program environment
• Providing participants a positive program environment
• When required, redirection of the undesired behavior and encouragement of the participant to change their behavior by providing clear examples of how the behavior needs to change

Behavior Management Procedure:
1. Participant(s) will be given a quiet reprimand/verbal warning with clear instruction as to how behavior needs to change. Staff will document the discussion.
2. If inappropriate behavior persists, after verbal warning, the parent/guardian will be contacted by the Recreation Program Supervisor/Specialist in charge of the program and a First Written Behavior Incident report will be given to the parent/guardian outlining the incident and the action taken by staff.
3. If inappropriate behavior persists, a second Behavior Incident Report may be presented to the parent/guardian and/or the Recreation Program Supervisor/Specialist in charge of the program (or their designee in their absence) may contact the parent/guardian and request that the participant be picked up from the program. Depending on the circumstances, the Recreation Program Supervisor may also determine that a suspension from the program is necessary while the behavior incident reports are being reviewed. (No refunds or prorated fees will be given for the day the participant is asked to leave or is suspended).
4. If a behavior problem persists, a third Behavior Incident Report will be completed and the participant will be asked to leave the program. In such circumstances, the department may deny future registration for this or other programs. (No refunds will be given).
5. For severe offenses, such as but not limited to: fighting/hitting, theft, vandalism, bullying in a program, possession of weapons or drugs, severe verbal threats, sexual misconduct, leaving the program/building without proper dismissal, or any other safety related behavior, the participant will be immediately suspended and/or dismissed from the program and a police report will be filed with the Apex Police Department.

I have read, understand and agree with all of the policies as stated in this document and I have discussed the expectations of behavior with my child. I understand the Town of Apex Parks, Recreation and Cultural Resources has the authority to revoke my child’s right to participate in APR&CR programs for behavior which is not in keeping with the mission of the APR&CR or for failing to follow the policies/procedures of APR&CR. My signature on the previous page indicates that I agree to adhere to all policies, procedures and rules of APR&CR.

When completed, the project will include a mixture of active and passive recreation opportunities for all ages and abilities. The park will include sports fields and courts, a cross country course, a 1.5 acre Enchanted Forest amenity area with splash pad, shelters and more. J.M. Thompson Construction Co. will be the contractor for the project with site work scheduled to begin in February. The project is primarily being funded by the 2017 Park Bond and a grant from the Wake County Hospitality Tax program.

**Community Center Addition / Senior Center**

Initial site work has begun on the Town’s first Senior Center and the expansion of the Apex Community Center. Located on the Town Hall Campus, this project will add approximately 28,000 square feet to the existing Community Center. When complete, this facility will primarily be used to expand programming for seniors and those with special needs. In addition, the facility will be available to expand programming for all ages and offer much needed rental space for community use. Barnhill Construction Co. will be the contractor for the project with significant construction operations set to begin in February. The project is primarily being funded by the 2017 Park Bond.

**New Parks & Greenways Map**

A new Parks and Greenways Map is now available! **Middle Creek Greenway**

The Town Council recently approved a construction contract with Bridge Pointe Civil, LLC to start construction on 900 linear feet of the Middle Creek Greenway. This section will connect the Reunion Pointe and Miramonte neighborhoods with construction beginning in February 2020. Beginning in July 2020, additional phases will connect Pemberley, Sunset Hills, and Horton Park along the corridor with eventual connection to the Town of Holly Spring’s greenway system at Sunset Lake Road. Northward, the Middle Creek Greenway will eventually connect at SR 1001. The project is primarily being funded by the 2017 Park Bond and Wake County Open Space Grant Funds.

**Beaver Creek Greenway**

Construction on the first section of the Beaver Creek Greenway, connecting Kelly Road Park to the Apex Nature Park, will begin spring 2020 with additional sections beginning construction later in the summer. When completed, the 1.5 mile section, consisting primarily of boardwalk, will link two significant parks and multiple neighborhoods within the corridor and create a continuous connection between the Apex Nature Park and Jaycee Park. The project is primarily being funded by the 2017 Park Bond, a $1,000,000 grant through NCDOT, and Wake County Open Space Grant funds.
