DEFINITION OF AN EASEMENT PLAT

A map which depicts easements such as, but not limited to, right-of-way, utility, water, wastewater, stormwater, electric, gas, telephone, landscape, or access and which is intended for recording with the Wake County Register of Deeds.

EASEMENT PLAT PROCESS SUMMARY

1. Applicant uploads pdf version of plat for electronic plan review via IDT Plan Review. [Click here to access IDT Plans Website](#)
2. Staff member reviews electronic plan submittals and hard copies submitted to the Planning Department for completeness.
3. If application is complete, Town Staff will review plat application and send comments to applicant.
4. The applicant must address all of the comments and submit revised plats via IDT.
5. Steps 3 & 4 may need to be repeated until the plat conforms to the requirements in this application.
6. Once the plat meets the requirements of the UDO and this application, staff will advise the surveyor to submit hardcopies for staff signature. The applicant must submit three (3) copies of the plat on Mylar. Each copy should include the signature and seal of the surveyor as well as the notarized signature of the owner(s).
7. The applicant must pay all requisite fees prior to the final approval of revised plats.
8. Town Staff reviews the Mylar plats. If the plats comply with the UDO, Town Staff will sign the Mylars. If the plats do not comply with the UDO, the applicant must resubmit the Mylars.
9. The three (3) signed Final Plats must be recorded at the Wake County Register of Deeds within 60 days after approval. Wake County will keep one of the recorded plats. Plat must be stamped and signed by Register of Deeds.
10. The applicant must return one (1) Mylar copy of the recorded Exempt Plat and one (1) paper copy of the plat to the Department of Planning and Community Development. The recorded Exempt Plat must be on file prior to the issuance of any building permits.

To ensure updates are made to the County tax property maps, contact Pam Filicky of the Property Mapping Team for Wake County – 919-856-6384 or pfilicky@wakegov.com.

23.	Leave 2 inch by 2 inch space for the Wake County Register of Deeds stamp on the plat.	All final plats must be stamped and signed before they can be accepted by the Town.	
24.	Certificates	See last pages of this application for the required certificates.	
25.	Required Notes: See required notes listed below		
26.	Any other information considered pertinent to the review of the final plat by either the owner or the Town.		

EASEMENT AND RIGHT-OF-WAY PLAT REQUIRED NOTES AND CERTIFICATES

REQUIRED NOTES:

1. Where Town of Apex public utilities are installed within easements crossing private property, the Town’s Water Resources Department, Public Works and Transportation Department, and Electric Utilities Department shall have the right to enter upon the easement for purposes of inspecting, repairing, or replacing the sewer main and appurtenances. Where paved private streets, driveways, parking lots, etc. have been installed over public sewer mains, the Town of Apex shall not be responsible for the repair or replacement of pavement, curbing, etc. which must be removed to facilitate repairs. The Water Resources Department, Public Works and Transportation Department, and Electric Utilities Department shall excavate as necessary to make the repair, and shall backfill the disturbed area to approximately the original grade. Replacement of privately owned pavement, curbing, walkways, etc. shall be the responsibility of the property owner and/or Homeowner’s Association.
2. All off-site easements shall be acquired by the developer and these off-site easements shall be recorded by a deed of easement prior to utility infrastructure construction approval. These easements shall be dedicated to the Town of Apex and labeled “Town of Apex Public Utility Easement”.
3. No person shall place any part of a structure, any permanent equipment, or impoundment upon the Town of Apex Public Utility Easements. Prohibited structures include, but are not limited to: buildings, houses, air conditioning units, heat pump units, storage/tool sheds, swimming pools, walls, retaining wall mechanisms/appurtenances, decks, garages, and fences. Upon prior written approval by the Water Resources Department, Public Works and Transportation Department, or Electric Utilities Department, as appropriate, fences may be permitted across easements provided that an access gate is installed for the full width of the easement.
4. No person shall plant trees, shrubs, or other plants within a Town of Apex Public Utility Easement without prior written approval from the Water Resources Department, Public Works and Transportation Department, or Electric Utilities Department, as appropriate.
5. Contact the Planning Department to get a copy of the zoning conditions.

CERTIFICATE OF OWNERSHIP AND DEDICATION

“I hereby certify that I am the owner of the property shown and described herein, and all sheets related hereto, which is located in the subdivision jurisdiction of the Town of Apex, and that I hereby adopt this easement or right-of-way dedication plat with my free consent, and as applicable, certify that this plan complies with building setback lines established by the Town of Apex Unified Development Ordinance and dedicate all streets, alleys, walks, parks and other sites and easements to public or private use as noted and will maintain the same to the standards set forth by the Town of Apex Unified Development Ordinance until the Town or Homeowners Association takes over this responsibility. Furthermore, I hereby dedicate all electrical systems which are located within the municipal electric service area, sewer and water lines to the Town of Apex.”
