## Downtown Event Alternative Route

There are many special events held each year in downtown Apex. During these events, Salem Street (often from Hwy 55 to Hunter Street) can be closed, requiring GoApex Route 1 to use an **alternate route**. During downtown Apex special events, riders can access temporary stops at (1) the corner of S. Elm Street and E. Chatham Street and (2) the corner of S. Elm Street and Center Street. We appreciate your patience as bus operators safely navigate pedestrian & vehicular traffic to reach stop locations.

**Downtown Special Events that use the alternate route shown on the map include, but are not limited to:**

- PeakFest (1st Saturday in May)
- Juneteenth Festival (Weekend around June 19th)

### Tips for riding GoApex during downtown special events:

- Look for a-frame/sandwich board signs indicating the bus stop location
- As the bus approaches, please wait at the sign and make eye contact with the bus operator so they know you want to board

During special events, bus schedules may be disrupted by an increase in pedestrian and vehicular traffic, new traffic patterns, and road closures.

As always, call **919-485-RIDE (7433)** and a customer representative will help you plan your trip, or visit [apexnc.org/GoApex](http://apexnc.org/GoApex)
