2. The matters concerning the league of rule interpretation shall be administered by the Apex Parks, Recreation & Cultural Resources (APR&CR) Department.
3. All volunteer coaches shall be selected by APR&CR, and governed by the policies and procedures set forth by APR&CR.
4. All new players shall be selected by the coaches at the pre-season draft. All players returning from the year before will remain on the same team unless they choose to enter the draft. Brothers/sisters in the same age division shall be placed on the same team. Coaches will pick in the reverse order of finish from the previous season.

OPERATING GUIDELINES

Registration

Registration for participation shall be coordinated and conducted by APR&CR. Under unusual circumstances, individuals may be added or deleted to/from the program at the discretion of APR&CR. This shall be done only after taking into consideration those involved and the impact on the league.

Scheduling

Schedules for all regular practices and games (including make-up games), shall be coordinated through APR&CR taking into account field availability.

Pre-Season:

- Each team will be provided the same number of practice opportunities per week.
- Any deviation from allotted schedule must be cleared through APR&CR and player attendance at such practices is not a player requirement.

Regular-Season:

- Teams will be offered the opportunity to practice based on facility availability.
- Teams may not reserve fields for more than one week at a time and may not do so before 8:00am Thursday of the week before they wish to practice.

Post-Season:

- Schedule permitting, a single-elimination tournament will be held for all divisions except the Rookies (5-6). The Rookies will play one additional game against a team with similar results to encourage a competitive final match-up.

Player Assessments

To be organized and operated by APR&CR according to facility availability and weather.

Draft Procedures

To be organized and operated by APR&CR and the league coaches under the following guidelines:

1. Teams shall draft in reverse order of their finish in the previous season.
2. All teams will be age balanced and have the same ratio of boys and girls (as close as possible, dependent on the make-up of the league).
3. Each team shall be permitted to keep returning players, sons, and daughters under the following conditions:

- Based on the total number of players needed to equalize the number on each team, each coach will draft until he reaches this number then withdraw from the draft.
 - Exception: When a team reaches 6 players on their roster, that team must hold until all other teams reach 6 players. Note: Any team that returns 6 or more players will receive a first round choice, and then have to hold until all other teams have the same number of players.
- If after registration, tryouts, and the draft, a player wishes to be placed on a team, this shall be done at the discretion of APR&CR. Appointments shall be made per draft order and waiting list policy.
- Options may be awarded to a coach and /or coach's child who has registered to participate. All options must be declared in writing prior to the draft. All options on the oldest age for the league will be protected through the second round. All options on the next oldest age will be protected through the third round. Brother / sister options will be protected in the last round. A team is allowed two option players.

Note: A team may not have more than two option players on its roster during a season. Any player designated an option player the previous year who returns to the same team will remain an option player.

- Pre-Draft: Teams that do not have any returning players will be given a pre-draft pick. Any team that receives a pre-draft pick will go to the last position in the first round (only) and then return to their normal spot in all rounds thereafter.

4. Expansion of league shall be conducted in the following manner:

- The new team(s) shall assume the number one (and/or two) draft pick. Flip of a coin shall determine number one position when adding more than one team.
- Each new expansion team shall be awarded a pre-draft pick. Selection will be on a rotation basis with two or more expansion teams.

- Any regular season game that ends in a tie shall be counted as one half a game win in the league standings.

Please respect their rights and work with them and the field supervisor to ensure a well-played game.

1. There will be one center official for all games. The Pee Wee, Mites, Major, Junior & Senior leagues will also have 2 sideline officials.
2. Referee(s) shall:
 - Make all decisions for infringement of the rules committed within or outside the boundary lines from the beginning of the game to the end.
 - See that all kickoffs, free kicks and penalty kicks are taken properly.
 - Act as timekeeper and allow the full or agreed time, adding any time lost through injury or other causes at their discretion.
 - Will caution or issue a yellow card to any player or coach guilty of misconduct or unsportsman like conduct. In such a case the referee shall give the name of the offender to the field supervisor who in turn will give a report of the incident to the Department.
 - Will send off the field of play and issue a red card to any player or coach who is guilty of violent conduct, serious foul play, the use abusive language, or is guilty of a second cautionable offense in the same match.

Players and Substitutions

A team will consist of the following:

- 7 players (6 players and one goalkeeper) for leagues that the Department sets the official roster at 12 players.
- 8 players (7 players and one goalkeeper) for leagues that the Department sets the official roster at 13 players.
- 9 players (8 players and one goalkeeper) for leagues that the Department sets the official roster at 14 players.
- 11 players (10 players and one goalkeeper) for leagues that the Department sets the official roster at 17 players.

Forfeit:

A team will forfeit their game if they are unable to field one fewer player than allowed (example: 7 players (6 players and 1 goalkeeper) in the 8-player leagues). **This includes the fourth quarter when a team cannot field the minimum players because of participation time rule infraction.**

There will be **no grace period** given for any scheduled game.

Substitutions:

1. Substitutes may be put into the game for any other player.
2. Players that are going into the game must report at the timers table. They should check-in with their backs turned so the timer can easily see their numbers. Also, please help them know which players are coming out of the game. All this will help in charting your players' time correctly.
3. Any player who has been taken out of the game for any reason other than disqualification may be allowed to re-enter the game any number of times.
4. Substitutions may occur only when the ball goes out of bounds with approval of the referee. Team **does not** have to be in possession of the ball in order to make a substitution. The referee will not, however, allow a substitution from the bench for corner kicks or penalty kicks. You may change positions of your players on the field during a corner or penalty kick, including your goalkeeper with approval from the referee.
5. Goalkeeper substitutions: The new goalkeeper must have all equipment on and ready to play before they enter the game. This is to prevent teams from stalling for time.

Note: Substitutions must be made at the half way point of the first three quarters for the Rookies (5-6) and Pee Wee (7-8) Leagues.

The clock will be stopped at the half way point as play allows. All players on the bench must go in the game and stay throughout the rest of the quarter.

Exception: Injured players can be substituted for as necessary

Scoring

1. A goal shall be scored when the ball has been legally kicked or passed wholly between the goal posts and under the cross bar.
2. A goal may not be scored directly from a kickoff, or an indirect kick.

The Game

1. Before the Game:
 - Coaches shall participate in a coin toss to decide which team shall kickoff and selecting the goal which team is to defend.
 - Coaches shall turn a line-up card to the timer before the game starts.
 - At the beginning of the second half, teams shall change ends and attack the opposite goal.
 - Goalkeepers must wear the jersey that does not match either team's jerseys.
2. Beginning of Game:
 - Game shall start by an indirect kick from the center of the field in the direction of the opponent's goal.
 - After a goal is scored, the team scored against shall kickoff.
3. Players / Goalkeepers Privileges:
 - A player may dribble, volley, block, trap, or pass the ball. At no time may a player touch the ball with his/her hands.
 - Player may play the ball while it is trapped by an opponent, provided there is no foul. If the player is on the ground, a dead ball is called and the ball is awarded to the opposing team.
 - Goalkeepers privileges within the penalty area:
 - Pick the ball up
 - Punt the ball
 - Drop kick the ball
 - Throw the ball
 - May not delay the game by holding the ball indefinitely
 - Goalkeeper safety: when a goalkeeper comes out to make a play on the ball, the offensive player must be within playing distance of the ball to make an attempt on the ball. Otherwise the offensive player must yield to the goalkeeper regardless of the distance between the ball and the goalkeeper. (Note: this rule applies only if the goalkeeper has already made a move towards the ball, including bending to pick the ball up while standing. It does not apply if the goalkeeper is not attempting to save the ball.) If the player does not yield, he/she can be called for a dangerous play (indirect kick) and issued either a yellow or red card.

Note: This rule is in place for the safety of the players, it is however a rule that will be to the discretion of the referee if the play is fair and safe for all players involved.

4. Offsides

- A player is in an offside position when he/she is ahead of the ball while the ball is being played by a member of his/her team unless the following occurs:
 - Player is in their own half of the field
 - There are two opponents nearer their goal line than the player in question.
- Penalty for offsides: an indirect free kick shall be awarded at the spot where the foul occurred. A player will not be penalized for being offsides unless, in the referee's judgement, he/she is seeking an advantage or is denying the other team an advantage.

5. Fouls and Penalties

- A player shall not trip, kick, stroke, hold, push or jump at an opponent or use unnecessary roughness, or handle the ball.
- The umpire may suspend any player or players from the game for unsportsmanlike conduct or unnecessary roughness. A player or players so disqualified may not re-enter the game. The team must play short one player the rest of the game if they have no substitute ready.
- A penalty kick shall be awarded if the foul is made by the defensive team in the penalty area.

6. Slide Tackle: Slide tackling is not allowed.

7. **HEADERS** – In an effort to protect young players against concussions, the following rule has been implemented, as recommended by the United States Club Soccer Federation:

- Players in the Rookie (5-6), Pee Wee (7-8), and Mite (9-10) leagues shall not engage in heading, either in practice or games.
- If any player in the Rookie (5-6), Pee Wee (7-8), or Mite (9-10) league intentionally heads the ball during a game, the play shall be considered a dangerous play and an indirect kick shall be awarded to the opposing team. If the deliberate header occurs within the penalty box, the indirect kick shall be taken at the nearest point outside of the penalty box.
- If a player intentionally heads the ball a second time, the player will be given a yellow card and sent off the field to review the play with his/her coach. A substitute player may be inserted in his/her place.

Sideline Area

- The only personnel permitted on the sidelines are:

- Players
- Head coach
- 2 assistant coaches
- All sidelines should be cleaned by the team that occupied them at the end of the game. This is the responsibility of the head coach.
- Coaches must remain on the sideline when the game is in play.

Exception: To attend an injured player - head coach only, with the specific permission of the referee.

Conduct / Sportsmanship

- 1) No coach or player shall belittle or berate the players or coaches of another team. This type of action will not be tolerated.

First offense: Warning

Second offense: Ejection from game of offending person and/or head coach.

Penalty: Any coach or player ejected from a game will be suspended for a minimum of 1 game up to a maximum of the remainder of the season. When a player is ejected for unsportsman like conduct that team will play a player short for the rest of the game. Any coach ejected from a game will be required to meet in person with APR&CR before coaching another game. The coach is responsible to set up this meeting himself.

- 2) Harassment of officials and field supervisors will not be tolerated. Questions should be asked by the Head Coach only and done so calmly about rule interpretations only. Judgment calls are not to be argued. Failure to comply with this rule will result in immediate ejection of the guilty party and possible forfeiture of the game. **No warnings will be given.**
- 3) Coaches are accountable for the behavior of their assistant coaches, players, parents, and related supporters. Game officials may penalize the coach per above for any unsportsmanlike conduct.
- 4) Players will be allowed to cheer for their own team and not jeer the other. This includes songs, cheers, etc.
- 5) Consumption of tobacco products (including e-cigarettes) or alcohol is prohibited in the vicinity of any Town-sponsored athletic event, including on the field, the sidelines, and in the bleachers.

Reminder: The purpose of this program is to teach soccer, have fun, and learn sportsmanship. Players look to their coaches as role models and the things players see you do leave lasting impressions as they continue to play the game in later years. We're all human,

and as such we all make mistakes including referees, coaches and parents. It's the kids' games so let them be the ones that benefit most!

Participation

It is the philosophy of APR&CR that the emphasis of youth recreation should be on participation and skill development rather than winning or losing. Given this statement of philosophy the following guidelines will govern the Youth Soccer season.

- 1) **Minimum Playing Time:** Each child must play a minimum of 1 and a half quarters per game. If they do not have their minimum minutes by the start of the 4th quarter (12-minute mark for Major, Junior & Senior leagues), **they must start** the 4th quarter and play at least until this rule is satisfied before they go off the field.

Exceptions:

- If the game is shortened for any reason
- If the player is injured during the game
- If a player is being disciplined by the coach for missing too many practices
 - If a player is not going to play his/her time, the head coach must inform the field supervisor and head official **before** the game starts.

Note: A player that has missed repeated practices and is going to be disciplined by the coach must be informed along with his/her parents of this action before the game starts. APR&CR must also be notified before this action can take place.

- 2) **Maximum Playing Time:** Each child can only play a maximum of 3 and a half quarters per game. At the start of the fourth quarter, (12 minute mark for Major, Junior & Senior leagues), if a player(s) has less than 8 minutes in the Rookies, Pee Wee, Mites Leagues or 12 minutes for the Major, Junior and Senior Leagues to reach the maximum, **they must sit out** at least until the number of minutes left in the quarter matches the number of minutes the player has before they reach the maximum level.

Example: At the start of the fourth quarter, a player has 5 minutes before he/she reaches the maximum playing time, that player will not be allowed in the game until there are 5 minutes left on the clock.

Exception: If a team does not have enough players present for everyone to sit out at least half a quarter, the maximum play rule does not apply.

Reminder: please try to rotate players and playing time. Do not get caught-up in the same rotation of players each and every game. This would cause the same players to have the minimum amount of time each game. Please do your best to

play the players equal and let them play as many positions on the field as possible. Remember this is a recreational league that is set-up for the kids to have fun first.

Note: Substitutions must be made at the half way point of the first three quarters for the Rookies (5-6) and Pee Wee (7-8) Leagues. Maximum Play Rule will still apply.

The clock will be stopped at the half way point as play allows. All players on the bench must go in the game and stay throughout the rest of the quarter.

Exception: Injured player

- 3) When inclement weather or other circumstances cause the cancellation or postponement of a game, requirements 1 and 2 will be waived. However, if these games are made up, all requirements for participation will be in effect.

Note: Any game that is stopped due to inclement weather is considered official if two quarters are complete (halftime is reached). The final score is the score of the game when stopped.

- 4) Failure to comply with these participation rules shall result in forfeiture of the game in question.
- 5) Protests shall be the responsibility of the coach and must be submitted in writing to APR&CR by 12:00 noon the following work day.
- 6) It is recommended that a coach alternate his substitutes (those who start today should be a substitute next week and vice versa).

When ruling on a protest concerning participation, the coach's intent will be taken into consideration. It is possible circumstances may cause a player to not play the required time. The coach's intent is the determining factor in these situations.

Penalty: For failure to abide by the participation rules above (upheld participation protest), the following penalties shall apply to the head coach:

- 1st offense: suspension of one game
- 2nd offense: suspension for rest of season

Protests

The following procedure shall be used for all protests involving APR&CR Youth Soccer league.

- 1) Protests will be allowed for rule misapplication only. No discussion will be permitted concerning judgment calls or the umpire's integrity.

- 2) Protest must be noted by the field supervisor before the coach leaves the field.
- 3) All protests must be submitted in writing to APR&CR by 12:00noon the next working day. All protests should include:
 - A brief description of the play involved and the ruling that was made.
 - A rule reference (page and statement) detailing what ruling should have been made.
 - A \$25 protest fee will be returned if the protest is upheld. If the protest is declined, this money will be set aside to buy equipment for the league.
- 4) Protests will be ruled on by the Program Supervisor.
- 5) Notification of protest ruling will be given within one week after submission.
- 6) APR&CR reserves the right to deny completion of protested game if it has no bearing on league standings or is not in the best interest of the league.

Uniform

APR&CR will issue each player of each team a uniform. The uniform will consist of a game jersey. Each player must wear this jersey, unaltered, to each game. **A player not in uniform or in an altered uniform will be declared ineligible.** Each coach will be given extra shirts, for emergency fill-ins. Shirts must be tucked in during play.

Note: altered uniform is when a player defaces the shirt in any way.

Examples: cutting sleeves or adding name to game jersey.

Coaches are responsible to make sure that every player is wearing an official uniform that will satisfy this rule.

Players must wear and provide themselves: shorts, shin guards and shoes. **No player will be allowed to participate in a practice or game without shin guards.**

Jewelry / Equipment

No jewelry allowed once play has begun. The referee may ask that a player take off all jewelry. Also by rule they may ask a player with glasses to wear a protective strap while they are playing. Players with earrings will have to either take the earrings out or wear tape over them to be able to play.

Note: Taping over earrings is only acceptable in the case of new earrings and must be approved by the referee and Field Supervisor.

The referee shall not permit any player to wear equipment in his or her judgment, is dangerous or confusing to other players. This includes, but not limited to, items such as:

- A guard, cast or brace made of hard and unyielding leather, plaster, pliable (soft) plastic, metal or any other hard substance - even though covered with soft padding - when worn on the elbow, hand, finger, wrist or forearm. **Note: any player wearing a hard cast will not be permitted to play, no exceptions.**
- Head decorations, head wear and jewelry, **including beads in the hair.**
 - Exceptions:
 - Head bands no wider than 2 inches and made of nonabrasive unadorned single-colored cloth, fiber, soft leather or rubber may be worn.
 - Head wear worn for religious reasons that is not deemed dangerous to the player or surrounding players
 - Rubber (elastic) bands may be used to control hair.
- Equipment which is unnatural and designed to increase a player's height or reach or to gain an advantage.
