This league shall be governed by the 2021-2022 N.C. High School Association basketball rules with the following notations and exceptions:

1. Only four (4) coaches and all team players on the team bench.
2. Play with regulation women's size ball (28.5").
3. Three (3) minutes of warm up prior to start of game.
4. **Man-to-man or zone defenses** allowed.
5. Defense in the backcourt is allowed.
 - a. Exception: Once a twenty point lead is established, no pressing will be allowed at any time (1st offense- warning, 2nd offense - technical foul).
6. Team rosters with uniform numbers and starting five indicated must be received by the scorer's table five (5) minutes prior to scheduled game time. Penalty: Technical foul.
7. **Substitutions may be made anytime the ball is dead.** All substitutions must check-in by giving jersey numbers to the scorer's table.
8. Six (6) minute quarters with a regulation clock; five (5) minutes half-time period; one 1-minute overtime period with one time-out per team. Tournament: overtime will be three (3) minutes. Multiple overtimes will be played until there is a winner (tournament only).
9. **Game time is forfeit time (no exceptions).** A forfeit shall be awarded for failure to field four (4) players at game time. Double forfeitures result in each team getting a loss. The gym supervisor's watch is official starting time for each game.
10. **Time outs:** four (4) per game, 30 seconds long.

11. **3-seconds lane violations will be called.**

12. Jump ball begins game with alternating possessions thereafter. A jump ball begins overtime.

13. **All technical fouls** result in a two shot penalty and possessions of the ball at mid-court.

14 **Playing Time:** each child shall play a minimum of 1 1/2 quarters (9 minutes total). At the start of the fourth quarter, if a player(s) has played less than the minimum playing time, **they must start the quarter** and play until they reach the minimum level.

- a. Penalty: forfeiture of game.
- b. Exception: player's failure to practice, injury, and discipline are acceptable reasons for non-compliance. Notation must be reported to the Recreation Department and accompany scorekeeper's copy of team roster prior to start of game.
- c. **Maximum Playing Time:** Each child can only play a maximum of 3 and a half quarters per game. At the start of the fourth quarter, if a player(s) has less than 6 minutes to reach the maximum, **they must sit out** at least until the number of minutes left in the quarter matches the number of minutes the player has before they reach the maximum level.

Example: At the start of the fourth quarter, a player has 4 minutes before he/she reaches the maximum playing time, that player will not be allowed in the game until there are 4 minutes left on the clock.

Exception: If a team has 6 players or less when the game begins the maximum play rule does not apply.

Reminder: If a team has several players that cannot start the 4th quarter they can play short – meaning 4 players, which is the minimum to play for our league. If they do not have 4 players that can start the 4th quarter, they must forfeit the game.

You should be able to take care of this rule in the first half. Do not let your kids lose a game because you were not aware of this rule or you were simply trying to play the best players too much.

Please try to rotate players and playing time. Do not get caught-up in the same rotation of players each and every game. This would cause the same players to have the minimum amount of time each game. Please do your best to play the players equal and let them play as many positions on the court as possible. Remember this is a recreational league that is set-up for the kids to have fun first.

Please do not allow a player to play the entire game. Every child wants to play, and to rotate around one or two players is unfair to the rest of your team.

15 Foul shots shall be from the standard 15-foot free throw line.

16 Bonus awarded on the 7th personal foul.

17 Bench Conduct: Coaches may leave their seat but are expected to stay within their bench area. Players must remain on the bench. Berating of officials will result in a bench technical foul. Coaches should go through the gym supervisor for rule interpretation.

18 Clock kept by scorer's table will serve as official unless proven different.

19 No jewelry allowed once play has begun. Officials may ask that a player take off all jewelry. Also by rule they may ask a player with glasses to wear a protective strap while they are playing. Players with earring will have to either take the earrings out or wear tape over them to be able to play.

20 Recreation Department's scorebook is official unless proven different.

21 Unsportsmanlike conduct will not be tolerated. Violation will result in ejection from game. Any time a player, coach or spectator is ejected by an official or APR&CR staff member, they must leave the playing site immediately. That person shall be automatically suspended for a minimum of the next game the team plays in. More games can be added to the suspension at the determination of the Department. A suspended coach or parent a may not be present at the playing site for the game(s) in which they are suspended. Failure to abide by this will result in further disciplinary action. A suspended player may be allowed to attend the game to support their teammates, at the discretion of the Department. Game suspensions may apply to regular season games, tournament play, and may, at the discretion of the Department, be carried over to the next season the player or coach registers for.

22 Protests: valid protests must be received on the next working day, in writing, with a \$25.00 protest fee.

23 The starting line-ups will match up at center line at the start of each quarter.

24 NO DUNKING ALLOWED

- a. Dunking is not allowed before, during, or after a game.
- b. Per Game
 - i. 1st Dunk – Individual Technical Foul and player ejected from the game.
 - ii. 2nd Dunk – Entire TEAM forfeits game. (Counts as a loss)
- c. Per Season
 - i. The 2nd ejection of a player during the season may result in expulsion from the league; this determination will be made by the Program Supervisor.
- d. **Equipment damage resulting from dunking of the ball will be paid for by the party responsible**

Player Draft:

To be organized and operated by APR&CR and the league coaches under the following guidelines:

1. Teams shall draft in reverse order of their finish in the previous season.
2. Each team shall be permitted to keep returning players and option sons under the following conditions:
 - a. Teams that do not have any returning players will be given a pre-draft pick. Each team that is given a pre-draft pick must filter to the bottom of the first round but will then resume it's normal position in round two and throughout the rest of the draft.
 - b. Based on the total number of players needed to equalize the number on each team, each coach will draft until he/she reaches this number then withdraws from the draft. Exception: When a team reaches six players on his/her roster, that team must hold until all reach six players. Then that team may resume player selection. Every team will receive a first round draft pick regardless of number of players that return.
 - c. If after registration, tryouts and the draft, a player needs to be placed on a team, this shall be done at the discretion of AP&R and the player shall be treated as a new resident in the area. Appointment shall be made per draft order.
 - d. Options may be awarded to a coach and/or coach's child who has registered to participate. All options must be declared in writing by two days prior to the draft. All options on 12's will be protected through the 2nd round; on 11's 3rd round. Brother/sister options will be protected in the last round regardless of age. Note: A team may not have more than two option players on its roster during a season. A player placed on a team by way of option remains an option player for that team until he/she ages up or does not return.
3. Expansion of league shall be conducted in the following manner:
 - a. The new team(s) shall assume the number one (and/or two) draft pick. Flip of a coin shall determine number one position when adding more than one team.
 - b. Each new expansion team shall be awarded one pre-draft pick. Selection will be a rotation basis when two or more expansion teams.
4. All teams will be age balanced to the extent possible.

Uniform

APR&CR will issue each player of each team a uniform. The uniform will consist of a game jersey. Each player must wear this jersey, unaltered, to each game. A player not in uniform or an altered uniform will be declared ineligible. Each coach will be given extra shirts, for emergency fill-ins. Shirts must be tucked in during play.

- Altered uniform definition is when a player defaces the shirt in any way.
- Cutting sleeves or adding name to game jersey are some examples but do not represent every situation. Coaches are responsible to make sure that every player is wearing an official uniform that will satisfy this rule.
- If the officials deem the jerseys too close in color, the visiting team will wear pennies that will be provided by APR&CR.

Coaches Information:

1. The department shall furnish the game ball, a gym supervisor, a scorer, a timer, game officials, and game jerseys.
2. A meeting, before your first practice with your players and parents is strongly recommended.
3. Coaches are responsible for the conduct of players before, during and after all practices and games.
4. Players are expected to attend all department scheduled practices and games. Violation may result in reduced playing time. Any disciplinary situation which may result in reduced playing time for a child must be reported to the recreation department or facility supervisor prior to taking the action. All practices not scheduled by the department are to be cleared in advance. Practices not scheduled by this department cannot be made mandatory for purposed of playing time (a player cannot be benched for missing an additional practice).
5. Phone trees email lists are recommended for team contact.
