

## TOWN OF APEX ENVIRONMENTAL PROGRAMS AND OPERATIONS SUPPORT DIVISION

The following is a list of individuals who are qualified and approved to test backflow assemblies in the town of Apex water system. The individuals that are identified may be able to provide repair depending on their qualifications.

All individuals are listed in alphabetical order and there is no implication of preference of individuals. The Town of Apex is not responsible for inaccurate information provided by these individuals and assumes no liability for the quality of work performed by the individuals. Prices for services may vary between contractors depending on work required. The Town has no control over costs of services. This list will be updated on a monthly basis as needed.
