**Non-Resident:** Resides **OUTSIDE** the Apex Corporate Limits as defined by the Planning Department

**Note:** Addresses located in the "ETJ" (Extra Territorial Jurisdiction) are considered Non-Residents for registration purposes.

## Waiting List Policy

Waiting lists are available for some programs and activities offered by the Apex Parks, Recreation, and Cultural Resources Department. Waiting lists are typically created after all participants and / or coaches are verified for the program / activity in question and the program is deemed full based on a number established by the department. Participants on the Waiting List will then be reassigned based on their place of residency with Apex Residents always receiving priority over non-residents based on the above definition of "APEX RESIDENT."

Once a determination is made to release someone from the waiting list, they will be contacted by APR&CR and have 3 working days from the time they are contacted either in person or by message to complete all remaining registration requirements for their particular program. Failure to do so will authorize APR&CR to go to the next person on the waiting list. For Youth Athletic Programs, once regular season games have begun Players / Participants will not be added from the waiting list unless it will result in a forfeit situation.

## Refund Policy

A full refund of registration and participation fees and charges will be made for all programs, activities, and events canceled or adjusted by the Apex Parks, Recreation, and Cultural Resources Department (APRCR). For all other situations where refunds may be requested, the following guidelines shall apply. The Director of Parks, Recreation, and Cultural Resources shall have the authority to make decisions on all requests not specifically covered herein.
