

**April, 18 2021**

**Minutes from Apex Public Art Committee Meeting 3/22/2021**

**Attendees:** Bethany Bryant, Ewan Pritchard, Tom Colwell, Sean Durham, Renee Anderson, David Wood,

**Regrets:** Lafayette Trawick, Renesha Battle, Anissa Ortiz

Tom called the meeting to order at 7 pm. Sean approved the minutes from March's meeting and Bethany seconded. Motion carried.

**Renee's Report:** She reported that a variety of Town Departments have been helping our committee with the Sculpture Walk, specifically the Parks & Recreation Operations, Marketing and Communications, Legal, and Risk Management. She was happy with the combined effort.

**Tom's Report:** Tom passed on his report as he had more to say in the subjects below.

**Public Comment:** Nothing at this time

**Old Business:**

**Sculpture Show:**

Tom reported

-The concrete pads are in or are going in for the sculptures. The artists will be coming in with their pieces to install the week of April 12-16.

-People's Choice Award will be integrated into our audio guide app and will be held for 4-6 weeks after installation.

-Our App is through Otocast, and is very simple to use, just download and Apex pops up first!

**Another Grant:** Ewan reported on a new grant that he was looking into. Asphalt Art Project is giving away \$25,000 to 20 cities for an asphalt art project by April 30 deadline. It would go well with what we are doing. Large cities are applying but

that didn't seem to dissuade committee members and discussion ensued. It might be a great thing by the proposed new bus stops.

**APAC Logos:** Ewan handed off to Sean. Sean showed several designs using the town logo with an artistic twist. Everyone seemed very enthusiastic. Need to run back by the Communications and Marketing Team at Town Hall.

**Banners on Barricades:** Tom, Sean and Bethany need to do one more long banner in front of Mission Market. The banners will go up on March 29. Bethany added that we miss Jane! Sean shared pictures of the abstract banners.

**Adjournment:** Ewan made a motion to adjourn and Sean seconded it. Motion carried

Next meeting: April Monday, 19 2021@ 7pm (virtual/streaming)
