The Town of Apex makes every effort to produce and publish the most current and accurate information possible. However, the information conveyed on this map is a collection from multiple data sources but may not show changes or modifications that have accrued after the date of creation and is not intended to replace any official source. Further investigation by town staff and/or outside consultants may be required to determine accuracy at a later date and the information on this map should not be considered completely error-free or as an exclusive basis for decision-making. The viewer of this map accepts that the use of any information is voluntary and at the viewer's sole risk. The Town of Apex makes no warranty or representation that the information is accurate, relevant, accurate or fitness for a particular purpose of the data provided for therein, its use, or its interpretation and the Town of Apex assumes no liability whatsoever associated with the misuse of such data.
